

ROPES AND TWINES

TECHNICAL INFORMATION

COTTON SHOP TWINE

PRODUCT DESCRIPTION

Venart's pliable and biodegradable cotton shop twine is crafted for secure parcel tying, while also maintaining a soft touch suitable for handicrafts. This polished twine not only ensures reliable parcel fastening but retains its strength when exposed to moisture. Available in three different thicknesses.

PRODUCT FEATURES

- Soft, biodegradable and made from 100% natural cotton, making it a practical alternative for a range of tying applications.
- Strong and reliable while providing dependable performance for general tying, bundling and packaging applications.
- Soft texture reduces the risk of scratching, making it suitable for delicate products, retail, craft and gift-wrapping applications.
- Offers a clean natural and traditional appearance which is available in a range of thicknesses and spool sizes to suit different applications.
- Tensile Strength: Fine: 5kg; Medium: 25kg; Heavy: 30kg
