

ROPES AND TWINES

TECHNICAL INFORMATION

FIBRELASH

PRODUCT DESCRIPTION

Venhart's Fibrelash Twine is crafted from heavy-duty twisted polypropylene film industrial twine. Designed to resist moisture and boasting an impressive tensile strength, this twine comes in a high-capacity centre-draw reel for convenient and long-lasting dispensing. It is available in multiple thicknesses and strengths.

PRODUCT FEATURES

- Ideal for tying parcels, bundles and pallets across a range of industries.
- A reliable all-purpose tying solution for everyday packaging needs.
- Suitable for use with most cardboard balers.
- Commonly used by timber yards, hardware dealers and other trade businesses.
- Each spool individually wrapped
