

BANANA BANDS and TWINE

Venhart
RUBBER BANDS

Venus
P.P. TWINE

Venus Banana Twine:
A bio-degradable, polypropylene twine available in blue, red, yellow and white. Each spool contains 2003 metres. Spools are shrink wrapped and twine is drawn from the centre for easy tangle-free dispensing.

Venhart Banana Bands
Made specially for the banana industry. **Venhart** banana bands are UV stabilised and packed in 1kg bags with 110 bands (approx.) per bag and 20 bags per carton. Size: 160mm long, 13mm wide and 2mm thick. Colour: Eggplant yellow. Product No: 160.

Banana plants stabilised with **Venus** banana twine to reduce damage from high winds.

Venhart banana bands hold a protective bag in place. The bag delays ripening until the fruit reaches full size and provides protection from fruit bats and birds.

Venhart bands and twine are suitable for use by growers of all types of bananas including "Lady Finger" and "Cavendish".

555 Church Street, Richmond, Vic. 3121, Melbourne, Australia.
