

# SMALL BUSINESS TAX BREAK

*Get in Quick before June 30th 2017*

Small businesses with a turnover of less than \$2 million would be aware of the instant write-off for assets under \$20,000 purchased for the business. **This is only available until June 30th 2017.** Eligible businesses can buy equipment related to their operations, and as long as each item is less than \$20,000, they can claim an immediate tax deduction. If you're ready to upgrade from a manual packing process to a semi, or fully automated process then perhaps this is now the right time. Please check our website [www.venuspack.com.au](http://www.venuspack.com.au) or call us now on (03) 9428-1652 to discuss your operational needs.

*Please seek independent tax advice for your business.*
