

Magic Seal Bags™

PRODUCT DESCRIPTION

Press-seal, low density polyethylene (LDPE) bags. A special quality LDPE is used to provide sufficient hardness around the resealable seal to ensure the bags stay closed. There are countless packaging, storage and filling uses for the versatile Venus Magic Seal Bags™.

Also available with three write-on panels for easy identification of items that need to be labeled such as electronic components, parts and medication.

Reusable, resealable and sturdy enough to store your items without breaking or ripping, Venus Magic Seal Bags are a fantastic reusable option.

APPLICATION INFORMATION

- Widely used for seeds, photographs, coins, and other small items, to hardware, apparel, and product presentation applications.
- Custom made size and print inquiries welcome.

PHYSICAL PROPERTIES

Red stripe 40um thick **Blue stripe** 50um thick **Green stripe** 75um thick
