

COLOURED BUTCHER'S TWINE

PRODUCT DESCRIPTION

Venhart Coloured Butcher's Twine comes in red/white and blue/white combinations and is food safe. Used broadly in the meat processing industry for its distinctive colour that allows easy identification. It has a high melting point and easy to knot. It is specially designed to avoid fraying when cut.

Comes in 560m lengths, or 425g/spool with a tensile strength of 40kgf. Butchers twine is also used widely in the arts and crafts industry and is made from polished polyester.
