

ROPES AND TWINES

TECHNICAL INFORMATION

RAYON SHOP TWINE

PRODUCT DESCRIPTION

Stronger than cotton or jute, polished rayon is a cellulose derived twine, ideal for various parcel tying needs. This twine combines durability with versatility. Similar to cotton, rayon maintains its strength even when wet.

PRODUCT FEATURES

- Smooth rayon construction which is soft and easy to handle.
- Strong, reliable and suitable for everyday tying and bundling.
- Easy to cut and tie while being convenient for fast, repetitive use.
- Neat appearance and ideal where presentation are important.
- Suitable for retail, floristry, gift wrapping and general tying applications.
- Easy to dispense and designed for convenient use in shops, stores and workplaces.
