

COLOURED POLYESTER BUTCHER'S TWINE

PRODUCT DESCRIPTION

This coloured polyester butcher twine is, like its plain counterpart an officially approved twine for use in export grade meat products. It is a lightweight twine that knots well and is coated with Bindacoat to smooth fibres and resist any fraying when cut. It features a high melting point and high tensile strength.

PRODUCT FEATURES

- Available in 1800 Tex in Red, Blue, Green and Black.
- Centre draw for easy, tangle-free dispensing.
- Finer twines of 660 tex available in red and white, or blue and white
- Designed for use by butchers
- Light weight and knots well
- Heat-resistant and oven safe
